

Lead Teaching Instructor for GO STEAM! LLC

GO STEAM! provides creative and educational classes, camps, and more for toddlers, preschoolers, and school age children in the areas of Science, Technology, Engineering, Art, and Math. We encourage teamwork, creativity, critical thinking, exploration, imagination, and inquiry while building, creating, tinkering, reading, learning, playing, experimenting, making, and more!

Job Description:

Perform duties that are instructional in nature.

- Teach 8-12 elementary aged students in an assigned STEAM topic at a weekly after-school club.
 - Current clubs include: Cubetto, littleBits, Scratch Jr., Scratch, and PinBox3000
- Teach 8-12 preschool aged students in an assigned STEAM topic at a weekly morning or afternoon club.
 - Current clubs include: Cubetto and Scratch Jr.
- Locate and contact schools and rec centers to offer your clubs.
- Using lesson plans provided, prepare materials and equipment weekly.
- Teach, motivate, engage, and encourage students to work together to achieve their goals.
- Implement our tagline of “powering teamwork and creativity” in all clubs.
- Encourage students to explore STEAM further beyond weekly clubs.
- Take class attendance and maintain accurate attendance records.
- Instruct and monitor students in the use and care of equipment and materials.
- Interact with school administration and parents in a welcoming and friendly manner.
- Answer follow-up parent emails/phone calls as needed in relation to your specific class.
- Return all non-consumable materials and supplies to GO STEAM! in a clean and organized manner.

Key Skills Necessary:

- Interest in STEAM Education, Desire to Grow with GO STEAM!, Enthusiasm, Imagination, Dedication, Adaptability, Patience, Responsibility, Self-Motivation, Professional, Learner, Flexible, Friendly, Fun, Passionate

Preferred Qualifications:

- Certified Teacher with at least 5 years of teaching experience
- Interest in STEAM Education and a desire to learn more about it
